ABOUT KIKI BIRD JEWELRY

Kiki Bird Jewelry (kikibirdjewelry.com) is handcrafted with love by Kim Girouard. For Kim, creating jewelry lets her imagination run free. The process is playful and spontaneous but tempered by an intuitive sense of balance. Even the most asymmetrical designs have an equilibrium that makes them easy to wear. Every whimsical twist of metal, each carefully placed accent, reveals a bit of Kim's creative journey as she touches saw to metal or hammer to rivet. Kim hopes wearing a piece of Kiki Bird Jewelry will spark the creative spirit of the wearer.

Every piece of Kiki Bird Jewelry is one-of-a-kind. Kim uses only the highest quality copper and fine silver.

Kim lives and creates out of her home studio in historic Shirland, Illinois, a village of less than 10,000 residents on the beautiful Rock River. A former police officer and an elementary school teacher, Kim has embraced the creative life. True to her nature, she puts a bit of her heart and soul into each piece she creates. Her greatest pleasure is hearing, "Is that a piece of Kiki Bird Jewelry?"
