

Top Beauty Blog Calls FarmMaidSoap.com Soap “Excellent”

BeautyStat.com reviews FarmMaidSoap.com goat milk soaps as “ideal for all skin types”

CORBETT, OR, -, February 21, 2018 /EINPresswire.com/ -- Beauty and fashion blog [BeautyStat.com](#), the leader in its field, called [FarmMaidSoap.com](#) goat milk soaps and lotions “ideal for all skin types: in a comprehensive review of the natural soap company founded by mom of 7 Kathy Johnson on her Oregon farm.

Editor Yona McDonough reported: “FarmMaidSoap.com [goat milk soap](#), “is ideal for all skin types and many people find that natural goat milk soap helps skin issues such as dryness, cracking, acne, and more. Farm Maid uses only fresh goat milk and high quality vegetable oils to create a well-balanced bar with great lather and excellent moisturizing properties.

MCDonough wrote, “Farm Maid uses only fresh goat milk of 25% per bar and high quality vegetable oils to create a well-balanced bar with great lather and excellent moisturizing properties.

She said FarmMaidSoap.com goat milk soaps are: “Excellent bars that live up to their promise, luxurious yet gentle soaps with great lather and unusual combinations of fragrance and ingredients.”

Johnson said, “We’re humbled that BeautyStat.com gave FarmMaidSoap.com such a rave review and proud that our soaps contain goat milk nutrients of vitamin A, selenium and

alpha hydroxyl acids and we leave in the natural glycerin that big brand soap companies typically remove to sell in high-end soaps and lotions.”

BeautyStat.com reviewed 10 soaps of the 80 available at www.FarmMaidSoap.com. Each bar weighs approximately 3.5 ounces and costs \$5.00. In her review, the famed editor of BeautyStat.com reported, “The Lavender, Tea Tree, Orange & Oats and Oatmeal and Honey soaps were mildly exfoliating; Cucumber & Citrus, Lavender, and Eucalyptus Mint were refreshing and invigorating; The Black Pepper, Citrus & Oak Moss had an appealing, masculine scent and the Black Raspberry Vanilla and Huckleberry smelled good enough to eat.”

BeautyStat.com said FarmMaidSoap.com Goat Milk Lotion, priced at \$13, is: “An excellent product, super moisturizing and softening.” She added that the liquid Orange Blast Foaming Goat’s Milk Soap is a “fragrant, luxurious foaming soap.”

The homeschooling mom of 7 began making natural soap as a hobby in 2002, then sold some at local fairs to realize the business potential and today from her Oregon farm she provides the finest in goat milk soaps and lotions to FarmMaidSoap.com customers across America and around the world.

Recently the FarmMaidSoap.com founder appeared on Good Morning Texas and Portland Today, to discuss her success and explain how people can natural chemical-free make soap at home. The New York Times recently reported that soap-making a growing trend to avoid chemical-laden commercial soap brands.

Farm Maid Soap goat milk soaps, lotion and body rub are created, formulated and marketed by founder Kathy Johnson, an entrepreneurial Mom of 7, ages 7 to 27. What started in 2002 as a hobby is now a thriving skincare line business. Her husband Jay joined in 2009 and her children helped in age-appropriate ways as part of homeschooling economics. Her oldest is a still a core member of her business and each is still involved in various ways. She runs her home-farm business in Corbett, Oregon and has major online sales at www.FarmMaid.com, which offers America’s widest array of some 80 goat milk soaps at affordable prices for all skin types and preferences. Other of her products include Acne Skin-So-Clear goat milk soap, toner, treatment and lotion, Arnica Muscle Rub, goat’s
