

ICT Investment Trends in Medium-sized Enterprises Market 2017:Key Players: Adobe Systems, ADP LLC, Allscripts Healthcare

PUNE, MAHARASHTRA, INDIA, February 21, 2018 /EINPresswire.com/ -- WiseGuyReports published new report, titled "ICT Investment Trends in Medium-sized Enterprises"

Summary

"ICT Investment Trends in Medium-sized Enterprises", report presents the findings from a survey of 1,459 medium-sized enterprises regarding their Information & Communications Technology (ICT) investment trends. The survey investigates how medium-sized enterprises currently allocate their ICT budgets across the core areas of enterprise ICT expenditure:

hardware, software, IT services, communications, and consulting.

The report illustrates the core technologies that enterprises are investing in, including IoT, enterprise applications, business intelligence, and cloud computing. The survey also highlights the approach to purchasing technology adopted by medium-sized enterprises. Through survey, the report aims to provide a better insight to ICT vendors and service providers when pitching their solutions to medium-sized enterprises.

survey shows that ICT investment by medium-sized enterprises is expected to show an upward trajectory owing to the lower total cost of ownership (TCO) and higher return on investment (ROI).

ICT plays a vital role in the overall development of medium-sized enterprises as it can help them deliver business value, support innovation, and achieve differentiation. Moreover, the rapid technology advancements has allowed medium-sized enterprises to benefit from disruptive technologies and change the way goods and services are created and delivered.

In particular, it provides an in-depth analysis of the following –

- How ICT budgets are set to change in 2017 in terms of their overall size
- Allocation across the core elements of IT spend, including hardware, software, services, communications, and consulting
- Distribution of ICT money in areas such as the networks, applications, service desk, and data centers
- Which ICT functions medium-sized enterprises are interested in outsourcing
- Medium-sized enterprises' investment priorities based on their budget allocations across core technology categories such as IoT, enterprise applications, business intelligence, and cloud computing
- Factors that are influencing medium-sized enterprises' investments in each technology
