About SubscriberWise

SubscriberWise® launched as the first issuing consumer reporting agency exclusively for the cable industry in 2006. The company filed extensive documentation and end-user agreements to access TransUnion’s consumer database. TransUnion approved the request as part of a pilot project in 2007. In 2009, SubscriberWise and TransUnion announced a joint marketing agreement for the benefit of America’s independent cable operators (<http://www.subscriberwise.com/TransUnionJointMarketing.pdf>). SubscriberWise also became the first company to integrate and launch the FICO Score 9 for every U.S. member operator.

Today SubscriberWise is a risk management preferred-solutions provider for the National Cable Television Cooperative.

SubscriberWise was founded by David Howe, who is a consultant and credit manager for MCTV (www.mctvohio.com), where he has remained employed for more than 21 years.

SubscriberWise contributions to the telecom industry are quantified in the billions of dollars annually.

SubscriberWise® is a U.S.A. federally registered trademark of the SubscriberWise limited liability company.
