CHICAGO, ILLINOIS, UNITED STATES, February 22, 2018 /EINPresswire.com/ -- Northfield, Illinois based Jen Volkodav Jewelry Design

(www.jenvolkodavjewelrydesign.com) is pleased to announce its participation, in association with The Artisan Group®, in a by-invitation-only luxury celebrity gift lounge hosted by GBK, honoring the nominees and presenters of the 2018 Oscars. The gift lounge takes place March 2-3, 2018 at an exclusive location in Beverly Hills, California.

A Jen Volkodav Jewelry Design Purple [Amethyst Necklace](#) will be included in the sought after celebrity/VIP swag bag prepared especially for the event by The Artisan Group.

The gifted Amethyst Necklace pairs Jen Volkodav's signature modern, industrial setting with a rectangle cut amethyst in a medium purple shade with hints of magenta.

Each all-natural amethyst weighs approximately 1.2 to 1.6 carats and is set in a hand-forged rectangular surround accented with AAA purple amethyst rondelles. The result is a strong and modern jewelry statement.

The necklace, which can be custom ordered [here](#), is also available in Garnet, Aquamarine, and Peridot, on request.

Giftees will find their Jen Volkodav Jewelry Design Amethyst Necklace beautifully wrapped in a branded black gift box, along with a note providing information about the inspiration for the piece and best wishes for the Oscars.

On display at The Artisan Group exhibit will be some of Jen's most luxurious statement pieces. Tourmaline is Jen's signature gemstone and she will be showcasing a toggle necklace, matching earrings and woman's ring along with a rare blue/green tourmaline necklace. Also on display will be a men's wide sterling band [braille ring](#) that spells out the word "love."

Regarding her company's participation in the GBK 2018 Oscars Luxury Gift Lounge, Jen says, "I'm so pleased to have been selected to partner with The Artisan Group this year for GBK's Oscars Luxury Gift Lounge. In deciding what to gift, I was inspired by Pantone's color of the year, Ultra Violet, and the associated message of awareness and mindfulness. I hope recipients will find joy in the wearing of

this unique, handcrafted piece of jewelry."

For Jen, a passion for designing and creating jewelry runs in the family. Her grandfather was a jeweler and she has carried on the tradition, starting Jen Volkodav Jewelry Design in 2007, after a successful career as a graphic designer, illustrator, and photographer.

"I love creating unique pieces that make the wearer feel special," she says. "It may seem small to many people, but the highlight for me is when my designs are selected by a bride to wear at her wedding. Nothing makes me feel more excited or proud than knowing that my creative vision will be a part of her special day."
