“

If you do not hire the most qualified mesothelioma attorneys, you just might end up with a less-than-stellar mesothelioma financial compensation settlement”

Iowa Mesothelioma Victims Center

The Iowa Mesothelioma Victims Center says, "We want to make certain that a construction or a skilled trades worker such as an electrician, plumber, welder, or carpenter in Iowa with mesothelioma have the nation's top lawyers at their direct disposal; as opposed to having an inexperienced local personal-injury law firm or mesothelioma middleman broker law firm that has little to do with the compensation claim.

"If we had just one important tip for any recently diagnosed construction worker or skilled trades worker with

mesothelioma in Iowa it would be this: "Measure two, three, or four times before you hire a law firm. Call us anytime at 800-714-0303 before hiring a lawyer to assist with your compensation process. If you do not hire the most qualified mesothelioma attorneys, you just might end up with a less-than-stellar mesothelioma financial compensation settlement. Translation: you could get shortchanged on your mesothelioma compensation."

Individuals with mesothelioma in Iowa could have been exposed to asbestos while serving in the US Navy, or while working at a power plant, as a plumber, a boiler technician, an insulator, as an auto repairman, as an electrician, or in the construction industry. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces and the exposure took place in the 1950's, 1960's, 1970's, or 1980's. Mesothelioma typically takes three to five decades to develop.
