

TEAM NUVISION INTRODUCES 24 HOUR TALKING HOMES HOTLINE FOR THE HOMEBUYERS IN CALIFORNIA

ASPIRING HOMEOWNERS CAN NOW GET THE PREMIUM INFORMATION WITHOUT ANY HASSLE WITH THIS AMAZING HOTLINE

LOS ANGELES, CALIFORNIA, USA, February 23, 2018 /EINPresswire.com/ -- Getting the right information while buying a home from a qualified real estate company is something every homebuyer wants and that is why Team NuVision has proudly launched its 24 Hour Talking Homes Hotline. Homebuyers will be able to get all the information they need with this talking homes hotline and it will solve a major problem for them at any hour round the clock.

“Buyers can receive immediate pre-recorded information on any of our listings 24 hours a day and 7 days a week without talking to any agent.” Said Rudy Kusuma, the Team Leader of Team NuVision and an accomplished real estate guru while introducing this hotline. “This will eliminate the possibilities of listening to unwanted sales pitch and will save a lot of time for the buyers.” He added. Rudy Kusuma is known nationwide for introducing several amazing innovations to the real estate market of Southern California and his team has single-handedly changed the entire landscape for both buyers and sellers.

In addition to the home buyers, this helpline is also great for sellers as well because it will give the ultimate exposure for free to their property that is up for sale. Even though there is no agent involved in this hotline but a buyer has an option of speaking to an agent in case of further inquiries about that property. Moreover, fax machine owners can even receive a complete feature sheet of the property they are calling on instantaneously.
