*Indie Award Winner Eddy Mann Announces the pre-release of the 'Simple Things' album and the first Single 'The Dancing Lesson'*

PHILADELPHIA, PA, USA, March 5, 2018 /EINPresswire.com/ -- Indie award winner [Eddy Mann](#) is announcing the pre-release of the "[Simple Things](#)" album on March 06, 2018. This is the singer-songwriter's thirteenth album and the first since 2016's award winning "[The Consequence](#)."

Eddy shared, "This project was conceived during a museum visit where a collection of realism artist Thomas Eakins was on display. There between the brushstrokes of each painting I saw a story, I heard a song, and there in that moment the album began to take form. It's my hope that we can teach a new generation to love and appreciate the arts in new and creative ways while still preserving and passing down our varying cultures."

"The Dancing Lesson," the first single, will be available with the pre-release and streaming on YouTube.
