

# Sleep Aid Market 2018 - Industry Analysis, Size, Share, Strategies and Forecast to 2021

PUNE, INDIA, February 27, 2018 /EINPresswire.com/ -- Global Sleep Aid Industry

Latest Report on Sleep Aid Market Global Analysis & 2021 Forecast Research Study

## Market Insights

The market is expected to grow at a CAGR of 6% from 2016-2021, owing to rising geriatric population and increasing incidences of sleep disorders. Increasing incidences of lifestyle diseases are also stimulating the market. Furthermore, excessive usage of digital devices is also expected to boost market growth during the forecasted period. However, patient safety concerns and risks of side effects of sleep disorder medication are some of the inhibiting factors in this market.

## Geographical Insights

With rapidly ageing population, North America leads the market due to rising healthcare investments and government initiatives are fuelling the growth of Sleep Aid Market in this region. However APAC is expected to be the fastest growing market owing to increasing healthcare expenditures and increasing patient awareness.
