

T3 Aviation Group expands support and service offerings to Asia based Business Aviation clients

T3 Aviation Group offers Pilot and Cabin Crewing services to Asia based Business Aviation clients

BANKOK, THAILAND, February 28, 2018

/EINPresswire.com/ -- Filling a much-needed void, T3 offers private jet clients crew support – [T3 Aviation Group](#) is proud to announce the addition of highly professional and experienced business aviation flight crew services to include pilots with multiple type ratings and VVIP flight attendants. Hand-picked for their skills and capabilities, T3 has amassed a large network of contract Pilots and Flight Attendants that uphold T3's high standards for service excellence. T3 crew members all have current ratings, [VVIP experience](#), and are available globally 24/7. Multi-lingual crews are available upon request and can complete short term or long-term assignments. These diverse linguistic capabilities will allow the T3 team to provide a more stress-free and precise service in the client's native language when required. "Having one of the most comprehensive networks for business aviation resources in Asia, it was only a matter of time before we formally entered the crewing market" T3 passionately supports the growth of business and commercial aviation in Asia and this is another innovative example of our ability to do so. Our multi-lingual team is ready to launch at a moment's notice." says Mark Thibault, Founder-Managing Director of T3 Aviation Group.

NOTE TO EDITORS

Established in 2013, The T3 Aviation Group of companies, T3 Private Jets Asia Limited (Hong Kong) and T3 Aviation Solutions Company Ltd., (Thailand) were established to become a leading aviation presence in the region, focusing on unwavering international safety standards, as well as impeccable client service that discerning international customers demand.
