

Author Calvin Cassady Pens His Life Story After a Life-Changing Experience

What is life after death or what is life after a second life?

NEW YORK, NEW YORK, UNITED STATES, March 1, 2018 /EINPresswire.com/ -- He was just an ordinary southwest Missouri teenager in 1971 when an automobile accident happened. With the supposed farewell that flashed before his eyes, little did he know that it would mark the biggest transformation of his entire life. In his book, *Bridging the Gap: A Spiritual Journey to Heaven and Back*, Former teacher and director Calvin Cassady narrates his personal and divine experience as he touched the loom of death and came back with a new purpose.

He wasn't trained to be Biblically genius, but his spiritual awakening has led his feet to share his story to inspire the readers and empower those whose souls are weary and lost. Calvin, who is not so vocal of his happenings, has taken the greatest step of his realizations and spiritual fortitude as he carefully shares his 40 years of experience. "You can have pretty much face-to-face assurance there is an afterlife, but you still have to live in the world we live in, and there are a lot of challenges. The book is a progression of my struggles as the years go by," he quips. Pointed out by a verified Amazon buyer, "I found the book inspiring and insightful. Mr. Cassady's experience points to the existence of a realm beyond that which we can experience with our senses, the existence of Heaven." Good reviews on his social media community proves that Calvin's impact of his family, friends, students and readers are aligned with Christian Faith and Salvation. His book video on [Youtube](#) has amassed almost 600 view counts in a couple of weeks. Through his miraculous recovery, natural disasters and serious health issues, Calvin is impelled to relate what he has witnessed and what every reader can learn from him. *Bridging the Gap: A Spiritual Journey to Heaven and Back* is woven carefully for every reader from all walks of life to reflect and appreciate His gift. As what Calvin usually imparts, "While you continue your spiritual journey, remember that faith, hope, and love conquer all. May your journey be fruitful, and may God's peace be with you."
