*Author Shares an Edifying Perspective about Christmas – A Liberating Journey*

NAUGATUCK, CT, UNITED STATES, March 2, 2018  
/EINPresswire.com/ -- People always talk about Christmas being the season of rejoicing, but what is the true essence of Christmas? What truly makes it the most wonderful time of the year? [Beryl Mears](#) pens a book that answers these questions, a source that serves as a reminder to keep Christ in "Christmas".

[Christmas: A Different Perspective](#) gives an insightful look at the meaning of Christmas, more than the events that take place before and after this season. It is not just all about the expensive and glittering Christmas trees that people work hard to put up, it does not talk about Christmas sale, and not even the sumptuous food being served on the night before Christmas. But rather, it's all about changing people's lives in a positive way. This serves as a spiritual guidance that contains Bible chapter and verse citations which will enlighten every reader.

Beryl Mears invites every reader to take a liberating spiritual journey through her book. It serves as a reminder that Christmas will always be as long as people will stand heart to heart and hand in hand, moreover, it is not only a season of rejoicing but more importantly, it is a season of reflecting. This is definitely an inspiring piece only from Mears!
