

7THBEE ATHLEISURE CLOTHING LINE ANNOUNCES THE LAUNCHING OF THEIR SPRING/SUMMER 18TH COLLECTION

The Clothing Line Releases A Collection Of Urban Vibe Clothing That Are Sensitively And Functionally Designed For Radiant And Vibrant Women.

NEW YORK , NY, UNITED STATES, March 6, 2018 /EINPresswire.com/ -- Manhattan, New York- 28th February, 2018:

7thbee Athleisure, a clothing line that is known for the design of multifunctional radiant clothing for women is proud to announce the release of their new Spring/Summer 18th collections. The brand with their latest collections adds a new edge to the athleisure space with innovative fabrics and designs. The aim of the new collections is to meet and exceed the demand of active women with many responsibilities that demand time-saving and versatility.

7thBee empowers women by mixing high-performance technical sportswear with fashion-led casual wears. The high demand from active women for comfort without sacrificing attractiveness is the reason behind the new collections. The Spring/Summer 18th collection is a luxury fashion line that is created from the finest technical fabrics and the design is driven by putting the performance of active women into consideration.

“With our brand, we aim to make designs that have certain functionalities to make life easier for women. Our collections are innovatively designed in order to increase functionality,” said the company spokesperson while announcing the launching of the 18th Spring/Summer collections. “We Utilize laser cut precision to create a technologically advanced fit and design. Italian fabrics that have luxe silky feel are utilized for our fabrics and designs,” she added.

Furthermore, the collection centers on core staples: leggings in two rises, crop tops, tees, sweatshirts and technical jackets. The brand integrates techniques such as reflective details as well as technical seams to design perfect multi-functional clothing for women. 7thBee Athleisure Clothing Line is perfect for the gym, yoga, dance, spinning, running, traveling or simply lounging around. The leggings get you fit faster, lift your butt and flattens your belly. Specially designed waistband is integrated into to the leggings to give the highest degree of movement, stretch-ability, and contours to the body.
