Growing New Jersey MSP Quikteks Expands Office Space

FAIRFIELD, NEW JERSEY, USA, March 12, 2018 /EINPresswire.com/ -- Local business technology solutions leader, Quikteks, is growing as more New Jersey businesses recognize the importance of computer network security. As a result, Quikteks is expanding its office space.

According to Quikteks owner and CEO Andrew Rich, "We need to expand our resources to accommodate the growing demand for better technology security."

Quikteks specializes in helping local businesses prevent and reduce cyber threats with enterprise firewalls, [front-end email security](#), anti-virus solutions, and more. Rich explained that these threats, which include computer viruses, spyware, hackers, and ransomware, are growing and becoming more ominous.

“

We're humbled by the continued loyalty of our customers and committed to serving them exceptionally.”

Andrew Rich, CEO

"Not only can these threats affect network performance, they compromise a business's [data security](#), financial resources, and reputation," he said.

Quikteks has been listed in Inc.'s Top 5000 Fastest Growing Companies list for the last two years. "We're humbled by the continued loyalty of our customers and committed to serving them exceptionally," Rich said. "If that means we have to tear out a few walls to make more space, so be it."

With increasing demand for local expertise, network security, and [managed services](#), Quikteks is doing just that -- expanding its office space and tearing down a few walls to make space for more technicians.

"We need more room to better serve our clients," Rich said. "We're thankful for their continued support and look forward to serving our community in our expanded office."

Rich suggests scheduling a free computer Internet security assessment from Quikteks. Visit Quikteks.com or call 973-882-4644.
