The March Madness Mac software sale

The Wine Reviews Spring Mac software promotion was released today, offering two software bundles and applications from three software developers.

SAN FRANCISCO, CALIFORNIA, USA, March 12, 2018 /EINPresswire.com/ -- The March Madness Mac software sale, massive savings on 65 essential macOS applications.

The Bundle Hunt New Year Mac Bundle expires on 03/16/18

Details about the bundle:

Unlock The Bundle For $5: Unlock the bundle for $5 to access a top list of best-selling apps.

Price/App start at $1 only

Build Your Dream Bundle: Create your own bundle, select and add up to 30 apps per bundle.

Multiple licenses per app: Add multiple license keys (max of 3 keys) for any app you like.

Save 40% off CodeWeavers CrossOver Mac or CrossOver Linux when you use the exclusive coupon code (MarchMadness) in CodeWeavers online store. This offer expires 03/25/18

Check out Uneeq's Awesome Mac Bundle #9! Eleven epic apps for less than $25 (normally valued at $323.70). This bundle is a mix of a hard-to-find wi-fi management solution, tools for recovering lost product keys and iPhone data, an award winning contact manager and just about everything in-between. Order your copy today and take advantage of a whopping 92% savings!
