

Structured Cabling Market Analysis 2018 (By Segment, Key Players and Applications) and Forecasts To 2022

Structured Cabling Global Market Segmentation and key Players Analysis 2022

PUNE , INDIA, March 13, 2018 /EINPresswire.com/ -- The rising internet penetration has made a way for developing better internet and communication network to improve business operations. The high internet speed is due to the increasing use of fiber optics and co-axial cables which is gaining demand in the market. The increase in the demand of the Power over Ethernet is due the increasing demand of [structured cabling](#) that meets the need for higher bandwidth and power, while limiting the rise in temperature. It also reduces the need for additional wiring and redundant cabling. There are number of companies like Corning, Inc. (U.S.), ABB Ltd. (Switzerland), Schneider Electric SE (France), are the major players of providing structured cabling in the market. These prominent players are providing the structured cables across the world.

With the proliferation of new technologies across the world along with smartphones and their applications has driven the market growth of structured cabling market. The smartphones and other applications are using these structure cabling as it provides high bandwidth, network connectivity which is required in small and medium businesses. The structured cables has huge demand in the forthcoming years. The companies including Schneider Electric SE (France), Teknion Corporation (U.S.), Siemens (U.S.) are basically concentrating on commercial buildings and communications cabling which fulfills the customer's requirement

Regional Analysis:

Geographically, North America region has been projected to hold the largest market share in global structured cabling market followed by Europe region, while Asia Pacific ranks third in the structured cabling market. North America is dominating the structured cabling market and holds approximately 45% share of the market in 2016. Asia Pacific is the fastest growing region in structured cabling market due to growing technology advancement, thereby occupying nearly 18% market share

Segments:

Structured Cabling market has been segmented on the basis of wire category, application,

product type, and industry.

Key Players:

CommScope, Inc. (U.S.), Nexans S.A. (France), Panduit Corp. (U.S.), Legrand (France), Corning, Inc. (U.S.), Belden, Inc. (U.S.), ABB Ltd. (Switzerland), Schneider Electric SE (France), TE Connectivity (Switzerland), Hitachi Cable America Inc. (New York)

Target Audience:

- Electronic component manufacturers
- Chipset designers
- Electronics and Semiconductor Enterprises
- Consumer Electronics
- Original Equipment Manufacturers (OEMs)
- Technology Standards Organizations, Forums, Alliances
- Research Organizations
- Government Agencies

Key Findings:

- The global structured cabling market is expected to reach USD 17.8 billion by 2022
- By wire category, category 6 is dominating the market and has generated USD 5.13 billion in 2016 and is expected to grow up to USD 9.48 billion by 2022 with growth rate of 10.77% CAGR
- By product type, copper wire is dominating the market and has generated USD 7.5 billion in 2016 and is expected to grow up to USD 13.6 billion by 2022 with the growth rate of 10.24% CAGR
- By industry, IT & Telecommunication is dominating the market and has generated USD 2.5 billion in 2016 and is expected to grow upto USD 4.7 billion by 2022with the growth rate of 11.07% CAGR
- By application, LAN is dominating the market and has generated USD 6.4 billion in 2016 and is expected to grow upto USD 11.02 billion by 2022 with the growth rate of 9.44% CAGR
- Geographically, North America region has been projected to hold the largest market share in global structured cabling market followed by Europe region, while Asia Pacific ranks third in the structured cabling market

Table of Content: Key Points

- 1 Executive Summary
 - 2 Market Dynamics
 - 3 Global Structured Cabling Market, By Wire Category
 - 4 Global Structured Cabling Market, By Applications
 - 5 Global Structured Cabling Market, By Product Type
 - 6 Global Structured Cabling Market, By Industry
 - 8 Competitive Landscape
- ...Continued□
