MD, The Society for Diversity is excited to announce this year's Diversity 4.0 conference at the Gaylord National Resort and Convention Center, June 13-15, 2018. This year's conference will focus on advancing equity, diversity and inclusion work with creative approaches and next generation strategies.

Conference highlights include our CDE/CDP designee annual meeting, keynote speaker, Shalini Sardana Human Centered Designer & Researcher, keynote speaker Justin Jones-Fosu, Justin Inspires, twenty-four speaker sessions, two panel discussions, CDE/CDP certification tracks and the presentation of our Innovation + Inclusion Leadership awards

which are given in four categories: individual, corporate, educational institutions and non-profit organizations. New to the conference "InclusionIMPACT!", a weekly television program that will be broadcast from the conference.

"InclusionIMPACT!", showcases and documents the real-world impact that equity, diversity and inclusion make in organizations, schools and communities across the globe. The "Ask the Expert" segment is sure to be the hub of conversation and inspiration this year. The show is hosted by the award-winning television personality, Derwin Smiley.

No matter where you are on your diversity and inclusion journey, the Diversity 4.0 conference will equip you with the strategies you need to successfully navigate the diversity and inclusion landscape and avoid the bumps along the road. From cutting edge general sessions, to interactive workshops, intimate roundtable discussions and unlimited networking opportunities, you will:

- LEARN – from forward-thinking industry experts on the cusp of the latest D&I trends.
- CONNECT – with diversity and inclusion professionals from across the board, including executives, consultants, educators and peers who have successfully implemented D&I efforts.
- SHARE – leading practices, insights and real actionable solutions.

At the Society for Diversity we offer educational and professional credentialing programs for diversity and inclusion leaders around the world. For the last 9 years, our work has made a tangible impact on thousands of people. Everything we do focuses on the bottom line: making money, saving money and achieving organizational goals.
