Rudy L. Kusuma Home Selling Team Ranked #1 The Most Reviews and Endorsements from Local Home Owners in zillow - Southern California Real Estate Market

"If your home has just come off the market and hasn't sold, don't be discouraged because the reason your home did not sell may have nothing to do with your home or the market." Said Rudy Kusuma of Team NuVision, while explaining the issue. "In reality, your home may have been one of the more desirable properties for sale and we have shared the insights to selling that home quickly in this report." He added.

According to Rudy Kusuma, almost half the listed homes in 2017 were never sold at all and it happened due to the lack of education and awareness among the homeowners. However, Rudy Kusuma is living up to his reputation for selling homes quickly and if his teams fail to sell the house, he buys it himself on cash. Moreover, this particular report along with many other special reports are a part of Team NuVision's campaign to educate the homeowners.
