GlobalShopex Named BigCommerce Certified Partner

GlobalShopex offers checkout and logistics solutions to help fast-growing businesses gain access to international markets with no risk and no set-up costs

MIAMI, FL, UNITED STATES, March 13, 2018 /EINPresswire.com/ -- GlobalShopex today announced it has been named a BigCommerce Certified Technology Partner, providing more than 55,000 BigCommerce customers access to GlobalShopex's international checkout solution. Beginning today, BigCommerce customers can integrate GlobalShopex's international shopping cart through the BigCommerce App Marketplace.

"We are delighted to offer BigCommerce merchants access to our unique cross border solution to drive sales internationally while still being able to focus on their core domestic market," said Scott Epstein, Director of Business Development at GlobalShopex. "As a platform, BigCommerce is best in class in its services and solutions. GlobalShopex adds the final piece to the puzzle, allowing merchants of all sizes to access the exploding international market and increase sales."

Among the range of services that GlobalShopex offers are:
· Localized checkout experience for international customers buying from the US
· Currency conversion
· Total landed costs
· International payment processing
· Customs clearance and brokerage
· Global shipping with tracking
· Reverse logistics/returns and fraud screening

"Our partnership with GlobalShopex further illustrates our commitment to providing merchants access to the highest-caliber technologies and service providers available in the industry," said Russell Klein, chief development officer for BigCommerce. "GlobalShopex shares our desire to help merchants sell more and grow faster to maximize success, and we look forward to working together to mutually support customers."

BigCommerce Certified Technology Partners are selected for offering best-in-class technologies, value and superior customer service. For more information, visit:
