This unique directory and referral service empowers family lawyers to grow their firms by being on page one of Google and by having the rights to all the referrals in their county.

This directory is designed so that when people search for a family lawyer only one firm will appear in their respective

county.

HighNetWorthDivorces.com will be utilizing search engine optimization, radio commercials, transit ads and social media to attract more lucrative cases.

HighNetWorthDivorces.com is pleased to welcome the following lawyers in these New York counties: Samuel J. Ferraroa, Esq. in Nassau and Suffolk County, RoseAnn C. Branda, Esq. in Kings County and Richmond County.

The aforementioned two lawyers are partners at the well-known firm of Abrams, Fensterman, Fensterman, Eisman, Formato, Ferrara, Wolf & Carone, LLP.

Janice Roven, Esq. has been chosen to handle High Net Worth cases in Manhattan. Ms. Roven handles all kinds of family matters, but she enjoys helping clients to resolve complex custody battles.

In Bergen County, New Jersey, Brian McCann, Esq., Christopher Cavalli, Esq. and Sarah N. Goldenthal, Esq. from the prestigious Callagy Law Firm now have the exclusive listing in this densely populated, upscale county close to New York City.

According to Jay P. Granat, Ph.D. the Founder of HighNetWorthDivorces.com, “Attorneys can increase their income and their prestige by handling high net worth divorces. In many instances, they can make more money by seeing fewer clients by attracting wealthy clients.”

“In addition, lawyers can showcase their talents by having their videos, articles and blogs featured on the site,” says Granat.

“Also, it is important to understand that middle class people want to use a lawyer who has handled

high net worth cases because they aspire to have the quality representation that wealthy and successful people utilize when they are considering a divorce,” notes Dr. Granat who is trained as a psychotherapist and marriage and family therapist.
