

EARTH Token Listing on Singapore-based CoinHub

EARTH Token has confirmed that it will be listed on Singapore based CoinHub Digital Currency Exchange Hub trading alongside 30 other cryptocurrencies

DOUGLAS, ISLE OF MAN, March 14, 2018 /EINPresswire.com/ -- 14 March 2018, Isle of Man /cryptocoremedia.com/- The EARTH Token team is pleased to announce that they have received listing confirmation from CoinHub.io, a digital currency exchange hub that is very selective on the projects they support. The date of the listing will be decided and announced after the conclusion of the official [EARTH Token ICO sale](#) which ends on Thursday 15th March 2018 12:00 GMT.

“We are very pleased with CoinHub’s decision to list EARTH Token on their digital currency exchange hub alongside

30 other cryptocurrencies. This means that EARTH Token holders can gain access to a convertible liquidity pool to trade EARTH Tokens.” - Allan Saunders - Managing Director, impactChoice Isle of Man. “Anyone that signs up with CoinHub will be able to buy EARTH Tokens, including demand-side companies, communities, organizations and individuals that want to gain access to the native token on our Natural Asset Exchange (NAE). This listing also offers new users the chance to buy EARTH Token after the sale ends.” he continued.

“

EARTH Token has confirmed that it will be listed on Singapore based CoinHub Digital Currency Exchange Hub trading alongside 30 other cryptocurrencies.”

About CoinHub

Founded in 2017, based out of Singapore and also operating out of Dubai, CoinHub supports over 30 cryptocurrencies and numerous trading pairs. CoinHub features a Secure Wallet for its users with built-in and encrypted cold storage and multi-factor authentication, multiple deposit and withdrawal methods including Visa, MasterCard, bank transfer and

cryptocurrencies, access to high liquidity order books, zero processing fees for deposits and withdrawals, support for major fiat currencies accepting USD, GBP, EUR, a 24 hour customer support team and more.

EARTH Token Project

The EARTH Token project will bring to life the NAE (Natural Asset Exchange) which is set to revolutionize the trade in carbon mitigation products, environmental sustainability products, and other natural assets. The goal is to establish a global Natural Asset Marketplace that removes current barriers to participation in activities that preserve our Environment while providing all stakeholders with tangible assets that can appreciate in value as the market matures and grows.

The EARTH Token ICO sale is currently underway and will end on Thursday 15th March 2018 12:00 GMT. EARTH Tokens can be purchased from the official website at <https://earth-token.com/>

About impactChoice

impactChoice is a leading provider of environmental sustainability solutions. The impactChoice Natural Asset Exchange (NAE) blockchain platform and EARTH Token (EARTH) creates a unique opportunity to invigorate the Natural Asset Market and enable all stakeholders in the value chain to participate. Transforming Environmental Sustainability from a financial burden to a business incentive by finally providing all contributors with tangible assets that will appreciate in value as the market grows - allowing the market to grow organically and achieve its massive potential.
