

# A.BROLLY STONEHENGE - THE WORLD'S GREENEST UMBRELLA LAUNCHES KICKSTARTER CAMPAIGN!

*Now Seeking Community Support via Kickstarter, A.Brolly Stonehenge is an Umbrella that Helps Save Our Environment and with Unique New Features!*

LONDON, UNITED KINGDOM, March 20, 2018 /EINPresswire.com/ -- A.Brolly Stonehenge is one of the most eco-friendly umbrella in the world – its fabric is completely made of recycled PET bottles and treated with waterless dyeing process. The UK based company behind this eco-minded campaign is called Grant Barnett Designs LLP and it is located in London. Moreover, the company has more than a 100 years old history and was founded by the merger of two leading umbrella manufacturers of England back in the year 1900.

The graphic features a woman in a dark blue dress holding a large, light-colored umbrella. In the background, there are stacks of clear plastic bottles. A green starburst sticker with the text 'LIVE ON KICK STARTER !!!' is in the top left. To the right of the woman, the text 'The Most ECO And Functional Umbrella' is displayed above a small icon of the umbrella. Below this, a list of features is shown with right-pointing arrows: 'Fluoride-free', 'PET Recycled fabric', '122cm Large canopy size', and 'Vortex wind-resistance design'. At the bottom right, the brand name 'A.Brolly STONEHENGE' is written.
