

Apogee Information Systems joins the Euro-Mediterranean Economists Association

Apogee's Managing Director, Mr. Nektar Baziotis, was accepted to join the Expert Panel of the Association.

THESSALONIKI, ---, GREECE, March 20, 2018 /EINPresswire.com/ -- [Apogee Information Systems](https://www.apogee.gr) announced becoming a partner of the [Euro-Mediterranean Economists Association](https://www.emea.eu) (EMEA). Furthermore, Apogee's Managing Director, Mr. [Nektar Baziotis](https://www.apogee.gr), was accepted to join the Expert Panel of the Association. Mr. Baziotis is an IT Systems Expert, with special interest in e-Learning, Content Management, and Virtual Reality systems.

Aimed at contributing to the changing realities in the region, the Euro Mediterranean Economists Association brings together leading economists and high-level international and local experts to think for the future of the Euro-Mediterranean. It serves as a leading independent forum for debate on the political and socio-economic reforms in the south and the east Mediterranean with the aim to promote sustainability, inclusiveness, and regional economic integration.

Nektar Baziotis, Apogee's Managing Director

“We are proud to join EMEA, a leading organization that brings together high-level international and local experts to think for the future and the sustainable development of the Euro-Mediterranean Region” stated Apogee's Managing Director, Mr. Nektar Baziotis.

We are proud to join EMEA, a leading organization that brings together high-level experts to think for the future and the sustainable development of the Euro-Mediterranean Region”

Nektar Baziotis, Apogee Information Systems

Among EMEA's members are several prestigious institutions including the Centre for European Policy Studies (CEPS), the Parliamentary Assembly of the Mediterranean, the Euro-Mediterranean University (EMUNI) and the Universidad Politecnica de Madrid.

Apogee Information Systems - <https://apogee.gr> - was established in 2005 and provides informatics' services especially in Content Management Systems, Project

Management, e-learning Applications, Human Resources Management, Consulting and Digital Marketing. Many of Apogee's clients are organizations pertaining to the European Union and the United Nations such as EIPA (European Institute of Public Administration), the North Sea Region Programme, EuroMed Justice, UN's Food and Agriculture Organization (FAO) and IFAD.
