

Kairos and Solunus employees prepare 4,528 meals for underprivileged kids at North Texas Food Bank

Kairos Technologies and Solunus organized a food distribution camp for the underprivileged kids on March 14th, 2018, at North Texas Food Bank (NTFB), Dallas.

It was a humbling experience to be part of this mission. We are touched by the great work that North Texas Food Bank is doing to provide nutritious food to underprivileged kids”

Mr. Pennam

DALLAS, TX, USA, March 21, 2018 /EINPresswire.com/ -- March 21, 2018 Dallas, North Texas: In a humanitarian gesture, Kairos Technologies Inc, a Dallas-based global IT services and cloud computing company, in collaboration with Solunus, Inc. a Dallas-based information technology services firm, organized a food distribution camp for the underprivileged kids on March 14th, 2018, at North Texas Food Bank (NTFB), Dallas.

The food distribution camp initiated under the name "Food4Kids", saw the participation of employees from both

Kairos and Solunus companies, who have come forward voluntarily to usher in their services at NTFB. The initiative for cause had about 4,528 meals prepared to feed the downtrodden, which left an indelible mark on NTFB and the companies as well.

Speaking on the occasion, Mr. Sudhakar Pennam, Founder of Kairos Technologies Inc, lauded the North Texas Food Bank for their programs and services offered in feeding the hungry and their sincere efforts in abolishing hunger across Texas. He also praised his employees for their willing participation and heartfelt contributions towards a cause.

"It was a humbling experience to be part of this mission. We are touched by the great work that North Texas Food Bank is doing to provide nutritious food to underprivileged kids. All our employees volunteered for the cause and contributed their bit. We look forward to many such initiatives this year, for us it is #MissionFeedNeedy" Mr. Pennam said.

It may be mentioned that 1 in 4 children in North Texas are food insecure and over 853,000 people in just 13 counties of North Texas live in food insecure households. NTFB is a top-ranked nonprofit relief organization in Texas, providing access to more than 190,000 meals each day for hungry children, seniors, and families through a network of more than 1,000 programs and 200 Partner Agencies in the 13-country service area. Encouraging many to host a food drive or support the Food Bank, NTFB provides 3 nutritious meals for 1 Dollar, i.e., 3 meals for the price of a soda!

Kairos Technologies Inc. is a global IT services and cloud computing company headquartered in Dallas focusing on helping companies to leverage cloud technology from salesforce.com. Solunus, Inc. is a Dallas-based IT services firm operating with a mission to help organizations across the world effectively use the cloud, mobile, and social technologies for their strategic advantages.
