

Ultra-High Net Worth Families Continue Migration To eQuine Holdings for Capital Advisement Services

Firm Adds Two Billionaire Single Family Offices (SFO) To Its Multi-Family Office (MFO) and Four Ultra High Net Worth Legacy Families.

DALLAS, TEXAS, USA, March 22, 2018 /EINPresswire.com/ -- eQuine Holdings is pleased to announce that several Legacy Families including: Cole, Sheng, Williams, and Lewis have entrusted eQuine Holdings with advisement on Capital Deployment for private and public investments. Additionally, two billionaire families located at Dallas joined the MFO, however, due to security protocol will not be publicly disclosed.

"We are once again honored that Legacy Families located throughout Texas continue to entrust us with capital advisement, security, legal, insurance, and private equity deployment. eQuine's fee structure and performance continue to be a deciding factor to Ultra High Net Worth (UHNW) Legacy families that are exhausted by the traditional three-year lock up and 2-20-8 model charged by traditional hedge funds that continually lag the overall market," stated Brent Atwood, CEO.
