

Aluminum Pigments Market 2018 Share, Trend, Segmentation and Forecast to 2025

PUNE, INDIA, March 22, 2018 /EINPresswire.com/ -- Global Aluminum Pigments Industry

Latest Report on Aluminum Pigments Market Global Analysis & 2025 Forecast Research Study

The report covers the analysis and forecast of the aluminum pigments market on global as well as regional level. The study provides historic data of 2016 along with the forecast for the period between 2017 and 2025 based on revenue (US\$ Mn).

The study provides a detailed view of the aluminum pigments market, by segmenting it based on, application and regional demand. In end use industries, there are various applications facilitated by aluminum pigments such as paints & coating, plastics, printing inks, personal care products, and others. Aluminum pigments offer diversified application in various industries. Aluminum pigments combines aluminum powders, flakes, and paste that is widely produced by atomization of pure molten aluminum metal that is converted into fine droplets, solidified, collected, and used for various applications. Aluminum flakes are derived from aluminum powder by the dry ball milling process. Aluminum flakes are irregular in shape under microscopic examination that has the potential in creating a massive prospective market for various applications and most of the chemical and metallurgical companies to adapt the technology by 2025.

Regional segmentation includes the current and forecast demand for North America, Europe, Asia Pacific, Middle East & Africa, and Latin America. Market dynamics for each region has been provided in the report. The segmentation also includes demand of the product and its end use applications in all regions.

Market dynamics are the factors which impact the market growth, so their analysis helps understand the ongoing trends of the global market. Therefore, the report provides the forecast of the global market for the period from 2017 to 2025, along with offering an inclusive study of the aluminum pigments market.

The report provides the size of the Aluminum pigments market from 2016 and the forecast for the next nine years up to 2025. The size of the global aluminum pigments is provided in terms of revenue. Market revenue is defined in US\$ Mn. The market dynamics prevalent in North America, Europe, Middle East and Africa, and Asia Pacific have been taken into account in estimating the growth of the global market.

The market estimates for this study have been based on revenue being derived through regional pricing trends. Demand for aluminum pigments has been derived by analyzing the global and regional demand for aluminum pigments in each application for its respective functions. Forecasts have been based on expected demand from aluminum pigments applications. We have used the bottom-up approach to estimate the global revenue of the Aluminum pigments market, split into regions. Based on end use application, we have summed up the individual revenues from all the regions to achieve the global revenue for aluminum pigments. The application split of the market has been derived using a bottom-up approach for each regional market separately, with the global application segment split being an integration of regional estimates. Various companies were considered for the market share analysis, based on their innovation and application and revenue generation. In the absence of specific data related to the sales of Aluminum pigments several privately held companies, calculated assumptions have been made in view of the company's penetration and regional presence across all applications.

The report covers a detailed competitive outlook that includes the market share and company profiles of key players operating in the global market. Key players profiled in the report include Alba Alumina, BASF SE, Arasan Aluminium Industries, GEOTECH, Metaflake, Sun Chemical Group and so on.

The Global Aluminum pigments market has been segmented into:

Aluminum pigments Market: By Application

- Paints & Coating
- Personal care
- Plastics
- Printing Inks
- Others

Aluminum pigments Market: By Geography

- North America
 - o U.S.
 - o Canada
 - o Mexico
- Europe
 - o U.K.
 - o Italy
 - o France
 - o Germany
 - o Russia
 - o Spain
 - o Rest of Europe
- Asia Pacific
 - o India
 - o China
 - o Japan
 - o Australia
 - o Rest of Asia Pacific
- Middle East and Africa
 - o GCC
 - o South Africa
 - o Rest of Middle East and Africa
- Latin America
 - o Brazil
 - o Rest of Latin America
