

# ESPORTS INTERACTIVE PLATFORM. ATTENTION TO OUR PROJECT GROWS DAY BY DAY.

*EIP Platform. Advantages and professional's opinions about the project.*

TALLINN, KESKLINNA LINNAOSA,  
ESTONIA, March 24, 2018  
/EINPresswire.com/ -- First Global  
Esports Interactive Platform.

[EIP ecosystem](#) is a large-scale platform based on the [blockchain](#) system, which allows directly linking sponsors, partners, gamers, esports fans with significant benefits and convenience for all parties.

As we know, such project is the first one, which basic target is to optimize relationships between brands, companies, sponsors and esports audience. EIP ecosystem gives many advantages for both brands, companies and sponsors and for esports audience as well.

These are just some of the advantages:

- providing assistance to companies and brands in understanding the specifics of the market and esports audience.
- the ability for companies, organizations and brands to go directly to the audience of esports.
- simple and mutually beneficial cooperation between esports market and brands, companies, sponsors and investors bypassing intermediaries
- the ability for companies to reinvest in future projects

Attention to this project grows day by day.

Vlad Dobrov - an international businessman, financier and specialist in the field of [ICO](#) shared his

opinion with us.

according to Vlad Dobrov: "EIP ecosystem has a very serious chance of success." The project is really promising and capable of completely changing the state of affairs both in esports itself and outside."

Leo Petersen - In cryptocurrencies since 2011, Leo Petersen concentrates on media strategies for ICO and is a consultant in implementing blockchain system to existing businesses in biogas and VAT refunds.

Leo Petersen said: "Based on my experience in the field of ICO and having carefully considered the whole purpose of the draft, I'm sure that this project guaranteed to be success. That's why I joint the EIP team and I foresee our happy future."

In any case you decide! But we recommend you to think.
