

Medical Evolutions 1 Inc. Rolls Out Affordable Direct to Consumer Comprehensive Pharmacogenomic Test

Medical Evolutions 1 Inc. Pharmacogenomic ME TEST™ Panel offers the most comprehensive pharmacogenomic test offered in the United States.

WEST PALM BEACH, FLORIDA, UNITED STATES, March 22, 2018 /EINPresswire.com/ -- Medical Evolutions 1 Inc. was established to educate the general public on becoming “empowered” in participating in their own healthcare along with their physician via the Medical Evolutions 1 Inc. Pharmacogenomic Comprehensive ME TEST™. The goal is to make the ordering and utilization of the test a simple, uncomplicated yet an effective process as well as making the test economically available to most.

Medical Evolutions 1 Inc. Comprehensive Pharmacogenomics' ME TEST™ is processed by a specialized, CAP, CLIA certified Laboratory which utilizes a stringently selected set of markers that have been recommended by the FDA as being clinically informative for selecting specific medications based on an individual's unique profile. The test results may help your doctor select the right medication for you from a list of closely related medications and may help your doctor to further adjust the dosage based on your results. Medical Evolutions 1 Inc. Comprehensive Pharmacogenomic ME TEST™ Panel offers the most comprehensive pharmacogenomic test offered in the United States and covers drug-use and multiple disease states including:

The RIGHT dose of the
RIGHT drug at the RIGHT
time”
