Author Shares Bundles of Joys and Lessons In a Charming Children's Book Series

WILLARD, MO, UNITED STATES, March 23, 2018 /EINPresswire.com/ -- The much-anticipated sequel to "The Christmas Spryte Encounter: [Bad Behavior](#)" and "The Christmas Spryte Encounter: [Second Chance](#)" by Dr. Nanette Crighton, tells a story of yet another magical and whimsical delight for children and adults, "The Christmas Spryte Encounter: [Package Peeking](#)."

Books by Dr. Nanette Crighton

These books are woven beautifully with the story's resolution that is genuinely delightful. Crighton's book never fails to connect her mind to her readers with wit and enchantment as it tackles the true essence of Christmas, poetry, and takes us to the world of childlike desires and adventures.

From a 9 year old boy who is teased unmercifully at school about believing in Santa, to a boy named Patrick who can't seem to stop himself from peeking, to the disobedient girl who was warned by a behavioral elf named Glynt P. Spryte, these stories weave lessons and learning that will certainly charm audiences.

About the Author:

Dr. M. Nanette Crighton often ends up in charge without intentionally seeking a position of leadership. Her big-picture thinking, endearing qualities and willingness to set an example simply compel others to follow.

"I can delegate tasks making people feel empowered rather than imposed upon," says Crighton, the medical director and owner of Crighton Aesthetic Studio. "I make a point to recognize contributions by others in a genuine way, and I make certain that I do my share of the least favorable job."
