

# Tituprint design contest may prove first take off towards success for many designer students.

---

*Tituprint, a printing solution company organised a contest for the recognition of youth who are learning graphic designing. The contest ends on 25th march.*

JAIPUR , RAJASTHAN, INDIA, March 24, 2018 /EINPresswire.com/ -- [Tituprint](#) started its journey 30 years back with the name of titu thesis centre in Jaipur, Rajasthan. Started with small but with great thinking and passion they keep growing. They have started the online venture to serve the need of entire nation by creating an excellent website on which people can easily customize their gifts. The company punch line is "print your imagination". These three words tell that these company not only sells customize gifts but also they believe in enhancing the creativity of an individual.

This year tituprint moves an extra mile to support youth who want to make a career in creativity. They launched [tituprint design contest](#). The contest is very simple, contestants just need to login into website, submit a design and keep sharing the designs through facebook and whatsapp.

To make the contest successful, tituprint team works very hard, they did meetings with the heads of various graphic designer institutes. They call almost every graphic designer institutes. Just to promote the contest, they put free ads of designer institute on their website. They distributed poster in various institutes to make this competition successful.

Finally, I would say now the time has changed. Companies are not just focusing on profit but also they are creating opportunities for youth. I really appreciate the step taken by tituprint.com
