ABOUT LA MUSIC VIDEO AWARDS: In an age where looks and presentation are everything, the music video is almost as important as the song itself. The LA Music Video Awards recognizes the best music videos from this past year. <https://lamusicvideoawards.net/>

ABOUT THE MONKEY BREAD TREE FILM AWARDS: The term 'by filmmakers for filmmakers' is perhaps overused these days, but it is where our film awards began. After producing several short and feature films, entering various festivals/awards bodies, and serving as a judge for TMFF, our festival director (Ben Rider) wanted to get involved in encouraging new filmmakers, engaging with independent film production and the promotion of it in more detail. <http://themonkeybreadtree.com>
