

Mastiff Unveils Four new Titles Coming to Console and PC in 2018

A diverse and exciting mix of action, adventure, sports, and horror to whet video gamers' appetites

SAN FRANCISCO, CA, UNITED STATES, March 27, 2018

/EINPresswire.com/ -- Hot on the heels of an exclusive press-only preview event during the Game Developer Conference (GDC) in San Francisco, video game publisher and developer Mastiff today unveiled four exciting new titles that will be coming to console and PC in 2018.

The Mastiff 2018 Sneak Peek sizzle trailer, featuring all four titles listed below, can be viewed on the Mastiff YouTube channel at <https://youtu.be/VV6ocg1TSW0>.

Heavy Fire: Red Shadow

The next installment in the Heavy Fire series, Heavy Fire: Red Shadow offers players non-stop action in a 360° arcade style first-person shooter environment. Coming Summer 2018 to the Microsoft Xbox One entertainment system, the PlayStation®4 computer entertainment system from Sony, PS®VR, and PC.

_ 360° White-knuckle Action! Use your turret-mounted machine gun and a rocket launcher to mow down enemies across eight missions

_ Call in Support! Call in supply drops and support from elite infantry troops, fighter aircraft, attack helicopters, and more

_ Take Battle to an Entirely New Level! Integrated Mixer support on Xbox One, the style and function of RAZER CHROMA support on PC, and the true immersion of PS®VR support on PS4™.
