SystemDomain, Chicago based IT firm Signs Strategic Partnership with Ostendio, global leader in Cyber Security solutions

SystemDomain, Inc has enhanced its Cyber Security and Risk Management product portfolio by partnering with Ostendio, to deliver information security compliance.

CHICAGO, IL, USA, March 29, 2018 /EINPresswire.com/ -- SystemDomain, Inc., a leading global information technology consulting services company, today announced that it has signed a strategic partnership with Ostendio, a provider of an award winning cyber security platform for compliance and information management.

"SystemDomain now offers its customers a complete solution to make an enterprise more secure and protect business-critical data and applications by offering an industry leading cyber security compliance and information management platform that delivers an easy to use, cost-effective way for companies to demonstrate information security compliance to multiple industry standards and regulations," said Shubhi Garg, Managing Partner, SystemDomain, Inc. "This will enhance SystemDomain's product portfolio in our Cyber Security business unit".

"We're excited to partner with SystemDomain as we focus our combined energies to serve a broader range of customers with industry-leading cyber security and risk management solutions", said Grant Elliott, Ostendio President and CEO. "Ostendio will leverage SystemDomain's client portfolio and leading IT professional services capabilities to implement and integrate its portfolio of products across various industry segments".

SystemDomain had been ranked as:
• Top 20 Most Promising Cyber Security Solution Provider 2017' by "Silicon India"
• DiversityBusiness.com's (now OMNIKAL) OMNI500 Top Businesses for 2017
• Gold Medal as the Fastest Growing Cyber Security Firm by Cyber Security Excellence Awards
