CRESTVIEW, FLORIDA, UNITED STATES, March 28, 2018

/EINPresswire.com/ -- Having faith in God is certainly one of the most powerful ways we can become inspired to live a life of benevolence, empathy, and harmony with others. But there are people so thoughtful and devoted to God that their lives are selflessly devoted to ministry and contribute a meaningful powerful legacy to the world.

Dr. Warren is God's Prophetess, Intercessor, Author and CEO of the Thompson Warren Foundation, Inc. and a graduate of Crossroad's Theological Seminary where she received her Doctor of Theology.

"My love for the Lord has taken me to magnificent places I never thought I would reach because he loves me so profoundly," says Dr. Warren. "I utterly feel his divine presence in all that I do. I believe the word of God when it says "Seek you first the kingdom of God and everything else will be added to you. I believe that word to be true.

The Thompson Warren Foundation began as a pro- life organization eventually transitioning to the Thompson Warren Foundation, Inc. Since Emma was a little girl prayer was instilled in her and she was deeply inspired and mentored by her Father and Grandfather and their magnanimous relationship with God. She began her ministry of prayer in 1992 becoming prayer Chairman of the Christian Coalition in Bear county and it is where her Ministry of Prayer started as an Intercessor. Today her workshop and seminars are deeply reflective of her altruistic heart and worthy causes.

"I have always aspired to help people particularly those less fortunate, such as children in abusive situations, the military and their families and has always had a heart for missionaries". The Thompson Warren Foundation assist the needy with food, medical supplies, shelter, and clothing. It's been a long struggle and I thank God for the struggle because it helped make me the Woman of God that I am today. I reach people by staying faithful and tirelessly carrying out my ministry of prayer. One of my most humble experience is hearing from people or people that come up to me expressing their life changing moments because of my ministry of prayer."

In 2007 God gave Dr. Warren a vision for the army of intercessors. Currently she is working on her

new book entitled "The Journey of Intercessors," coming out in July. It describes the intercessors walk with God. Dr. Warren sticks resolutely to the word of God not delving into her own opinion and describes her book as "revelation."

"In my early walk with God I realized I could do nothing without God and needed Him in all things which drew me closer to Him and to love Him more and more deeply," says Dr. Warren. "What I humbly discovered was the ministry of prayer is the greatest ministry and is the ministry in my opinion that is closest to God. As intercessor God freely and graciously communicate you by His Word and His Spirit.
