

Comrise Inc. Expands their Cross Border Staffing Services into the U.S., China and Philippines

Comrise Inc. has expanded its cross border staffing services into the Philippines. The expansion will promote our client's brands and help locate top talent.

HAZLET, NEW JERSEY, UNITED STATES, March 29, 2018 /EINPresswire.com/ -- [Comrise Inc.](#), an international staffing and consulting company serving clients in the US and Greater China, announced that they have expanded their global reach into the Philippines. Comrise is seeing an increased demand from Chinese companies expanding into and looking for talent within the United States and vice versa. Their new office in the Philippines will provide offshore support to enhance delivery of this [Cross Border Staffing](#) service line and will also help Comrise to pursue local business in the country. Comrise has successfully served the U.S. market for 30 years and has been a major player in China and Hong Kong for the last 10 years. Their recent expansion in 2017 into the Philippines represents a new phase in Comrise's further penetration of the wider Asian market.

Of the company's recent success, Ling Sheng Chen, President of Comrise APAC said, "Expansion into the Philippines represents an important strategic investment Comrise made in the region. We leverage the local talent pool in Recruitment Process Outsourcing and Business Process Outsourcing to support our Cross Border Services initiatives. We are working tirelessly to position Comrise to be a major global talent solution provider in the region and are continuing our effort to grow our services and footprint globally."

Global President Sincia Liu added, "As intense as the global talent war is today, Comrise is in a unique position to help promote our client's brands and differentiators across the Pacific as well as to introduce them to local top talent who bring expertise and innovative ideas that can further fuel their growth overseas. On the candidate side we can offer a path for career growth that puts them on the international stage throughout the staffing bridge. This is made possible due to our depth of experience and understanding of business practices, culture, and the talent universe on both shores."

The success of this expansion into the Philippines was made possible through the growth of Comrise's existing clients, who themselves are pursuing business opportunities there. These clients look towards Comrise to help guide them in this market and others thanks to Comrise's strong local ties and cultural understanding. Comrise's executives and cross-border team are equipped with multicultural, multilingual and international business backgrounds.
