

IntelliBoard Expands to the Netherlands with UP learning

UP learning, a Moodle Partner within the Netherlands now provides extensive reporting and analytics to its clients through IntelliBoard.

MONROE, CT, UNITED STATES, April 11, 2018 /EINPresswire.com/ -- UP learning, a provider of LMS services and Moodle™ Partner in the Netherlands, has recently become a new partner of IntelliBoard, the premier reporting and analytics provider for the Moodle™ LMS and Moodle Premium Integrator.

Clients of UP learning will now have access to the expanded reporting and analytics capabilities provided by IntelliBoard for their LMS environments. IntelliBoard tools validate eLearning efforts - backed by data. IntelliBoard provides user-friendly, on-demand, real-time insight to inform educational business decisions - to improve workflow for businesses, educational institutions, and other LMS training implementations.

Martin van den Broek, CEO of UP learning shared, “UP learning is convinced that IntelliBoard is a great addition to your Moodle or Totara. Its complete data-overview and clear analysis are very helpful for learners, course designers, teachers and administrators. As the Dutch Moodle Partner, we strongly believe that partnering with IntelliBoard is a great step in helping our clients to create an even better LMS.”

IntelliBoard's complete data-overview and clear analysis are very helpful for all users. Partnering with IntelliBoard is a great step in helping our clients to create an even better LMS.”

UP learning*

“As IntelliBoard’s partner network continues to grow, we are focused on providing exceptional service and value to Moodle Partners,” states Dr. Tonya Riney, IntelliBoard’s VP, Client Services. She continues, “UP learning has a strong presence within the Netherlands, and IntelliBoard is proud to become part of the suite of services they provide. UP learning clients will be overwhelmed by the data they now have access to; with easy-to-use dashboards and a plug-and-play interface that makes viewing educational/training data meaningful and enlightening.”

About IntelliBoard

IntelliBoard.net offers analytic and reporting services to education communities and institutions who use the Moodle™ LMS. IntelliBoard extracts the statistical data collected in Moodle™ and presents this rich data on a single dashboard in the form of easy-to-read, aesthetic, and printable charts, graphs, and formatted reports. We strive to be the premier analytics dashboard for Moodle™ LMS users. Feel the strength of empowered learning with our purposefully built analytics for education and training. Our mantra: provide the best instantly-available, most-simplified point-and-click access to your Moodle™ LMS data to inform your educational business decisions.

About UP learning

UP learning creates a valuable learning environment that enables employees, teams and managers to achieve their professional goals. Rapid changes in society ensure that a lot of knowledge has a short life span. This requires an organization in which employees have the space and the trust to do and share what they are good at, and are inspired to develop themselves. UP learning helps to get the most out of company talent by creating the ultimate mix of learning, knowledge sharing and modern technology. Whether it's advice, design, tooling or support. As the Dutch partner of Moodle, Totara and Kaltura, UP learning has a comprehensive toolbox.
