According to the group, "A public utility or power plant worker with mesothelioma in North Carolina or their family members will need to retain the services of an extremely skilled mesothelioma attorney if they expect or hope to receive the very best possible financial compensation settlement results. The lawyer or law firm the person with mesothelioma in North Carolina hires must have a demonstrated history of going above and beyond the call of duty for their clients when it comes to a mesothelioma compensation settlement as we would like to explain anytime at 800-714-0303 and we would also like to make some law firm-lawyer suggestions." <http://NorthCarolina.MesotheliomaVictimsCenter.Com>

When the North Carolina Mesothelioma Victims Center mentions public utility or public utility districts they are referring to:

\*Electrical services providers including power plants/power house

- \* Sewage treatment facilities
- \* Water districts
- \* A natural gas provider for residential or commercial users

For more information about public utilities in North Carolina please visit the state's website on these topics:

<https://publicstaff.nc.gov/watersewer>

The North Carolina Mesothelioma Victims Center wants to emphasize their campaign is a statewide initiative available to a diagnosed victim of mesothelioma anywhere in North Carolina including communities such as Raleigh, Winston-Salem, Charlotte, Greensboro, Fayetteville, Asheville, or Wilmington.

Aside from offering instant access to the nation's most skilled mesothelioma lawyers the Center is offering the best possible mesothelioma treatment options in North Carolina. The North Carolina Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim or their family get to the right physicians at each hospital.

The North Carolina Mesothelioma Victims Center recommends the Duke Cancer Institute Durham, North Carolina: <http://www.dukecancerinstitute.org/> , the UNC Lineberger Comprehensive Cancer Center Chapel Hill, North Carolina: <https://unclineberger.org/> or the Wake Forest University Baptist Medical Center Comprehensive Cancer Center Winston-Salem, North Carolina: <http://www.wakehealth.edu/Comprehensive-Cancer-Center/>

The North Carolina Mesothelioma Victims Center says, "High-risk work groups for exposure to asbestos in North Carolina include Veterans of the US Navy, power plant workers, shipyard workers, steel mill workers, oil refinery workers, pulp, or paper mill workers, factory workers, plumbers, electricians, miners, auto mechanics, machinists, and construction workers."

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma does happen in North Carolina.

For more information about mesothelioma please refer to the National Institutes of Health's web site
