

Jasson Walker Jr. Featured as Panelist at 2018 AFCEA Army Signal Conference

LARGO, MARYLAND, UNITED STATES, March 30, 2018 /EINPresswire.com/ -- cFocus Software announces that our President & CEO, Jasson Walker, Jr. was featured as a panelist on the AFCEA Army Signal Conference Small Business Panel "Barriers to Small Business Opportunities."

The AFCEA Army Signal Conference brings together Army, Joint and Business leaders from across the Defense community to promote understanding between industry, government and academia. This year the theme for the event was " Unprecedented Opportunities."

The conference took place on March 8th 2018.

According to Ret. LTG. John R. Wood, Mr. Walker's leadership of cFocus Software Incorporated and experience in SharePoint/Development/Administration/Web/Help Desk,/Information Assurance were important to the theme of the conference and brought value to all attendees.

"I am honored that AFCEA selected me to speak on the Barriers to Small Business Opportunities panel!" said Mr. Walker. "I thank John R. Wood of the United States Army for the opportunity to join my fellow panelists from the defense community to discuss some of the challenges on our paths to success," he said.
