Restaurant Magic Promotes Michael Beck to Director of Sales

Restaurant Magic Software announced today that it has promoted Michael Beck to Director of Sales.

TAMPA, FL, UNITED STATES, April 2, 2018 /EINPresswire.com/ -- Restaurant Magic Software announced today that it has promoted Michael Beck to Director of Sales. In his new role, Mr. Beck will leverage his skills as a results-oriented leader to develop new strategies to increase sales, improve profits, and extend market penetration of Restaurant Magic's suite of software products.   He will also be tasked with expanding and managing Restaurant Magic's national sales team.

"

"I am very excited to have Mr. Beck leading our sales strategy and helping us continue our tradition of rapid growth" "

> *Drew Peloubet, CEO of Restaurant Magic*

Mr. Beck has over 20 years of hospitality operations, sales, and leadership experience. Prior to this promotion, Mr. Beck enjoyed a successful tenure of over four years as Restaurant Magic's Director of Major Accounts.   His career has also included roles of progressive leadership at Xpient Solutions as Vice President of Sales and Altametrics Enterprise Management Solutions as a Relationship Manager. Mr. Beck graduated from University of Maryland with a Bachelor's Degree in Communications, holds an Associate's Degree in Culinary Arts from Western Culinary Institute, and is a military veteran having proudly served in the United States Army.

"Michael has been a valuable member of our team for many years," said Drew Peloubet, CEO of Restaurant Magic. "I am very excited to have him leading our sales strategy and helping us continue our tradition of rapid growth."

About Restaurant Magic
Data Central® by Restaurant Magic is a suite of back office applications designed to help restaurant managers achieve peak operational and financial efficiency. Data Central® leverages business intelligence and automation technologies to decrease food costs, manage labor and improve overall customer service. The software integrates information from existing POS, inventory, supply, payroll and accounting systems to provide a comprehensive view of your operations. The Data Central® platform allows for easy system-wide deployment of updates, configurations, recipe changes and other information. Most important of all, the solution is mobile friendly, providing browser level access to all store level functions.

Restaurant Magic was founded over 20 years ago with a single vision of providing restaurant

operators better access to their operational data. With this access, operators can make faster decisions, optimize schedules, implement predictive ordering, and create a positive impact on their bottom line.   Restaurant Magic provides insight to some of the largest multi-unit franchises in the world, including First Watch, The Melting Pot, California Pizza Kitchen, and Cousins Subs. If you are interested in finding out more about Restaurant Magic or scheduling a demo of our software visit www.RestaurantMagic.com or call 1-800-933-4711.
