**Laptop & Desktop Repairs**

Kevin Raub, owner of DriveGuys, spoke to SouthFloridaReview.com, "DriveGuys offers free pickup and delivery. There is no need to call another IT company which will charge a trip fee plus an hourly rate. We only charge flat rate fee, which is affordable for anyone's budget. We believe in providing quality computer repair and PC repair services at affordable prices for every customer, whether you are a commercial client or a residential client."

People can go to [DriveGuys.com](https://driveguys.com), call 561-354-0154 (FREE PICKUP & DELIVERY), or visit 500 N Old Dixie Hwy #3 Jupiter, FL 33458 for more information.

"We treat each of our clients with the same attitude of respect by giving them the most value for the price. This is another reason why our business keeps growing. We can take care of all the technical issues for homes or offices" he continued.

Data recovery is one of the more popular services at DriveGuys. They take care of recovering data for large corporations as well as individuals. In addition, they also help customers migrate their data and information.

Virus removal is another service which is available through the Driveguys. Without the proper anti-virus and regular updates; the computer is more prone to get a virus. Even those potential customers that already have an anti-virus program, there is still a vulnerability to infections. Customers who are seeking help with setting up a PC or laptop can depend on the experts at DriveGuys.
