

CSA Balloons Now Offering Giant Latex Balloons in Toronto

The leading balloon printer North-America prints custom images and messages on 36" Latex Balloons.

TORONTO, ONTARIO, CANADA, April 3, 2018 /EINPresswire.com/ -- A Top Balloon Trend in Toronto for 2018

With the arrival of Spring and the start of the busy seasons for event planners, orders are progressively rising for custom balloons and party accessories throughout the country. This season's top trend in event planning? Decorating with [giant 36" latex balloons](#). For businesses and organizations alike, printing their logo or event specific messages and images on giant 36" latex balloons, is becoming increasingly lucrative. "Giant latex balloons are perfect for businesses

looking to make a big impact" states Csaba Laviolette, CSA Balloons Founder and President. Indeed, giant balloons make a statement. Original and colorful, giant balloons can attract some serious attention. Plus, they are incredibly cost effective. "With custom printed giant latex balloons, some of our clients have created incredible backgrounds for their party venues, and it cost them less than \$400".

decorators as one-of-a-kind centerpieces, stylish room dividers, ceiling decorations, or even as grand trimming to a party room entryway, they are unquestionably hot this season.

Giant 36" Custom Balloons for Businesses

Giant balloons are also being used for events other than parties. Businesses are opting for custom giant balloons for their product launches, tradeshow, festivals, or even to highlight their participation in community events. Retailers are also using giant latex balloons for all of their in-store promotional events or grand openings. As always, CSA will print your custom giant latex balloons quickly and the printing results will be of the utmost quality.
