

French Poet AKA Louis Puts Emotions In “The Colored Sketches Collection”

MEMPHIS, TN, UNITED STATES, April 3, 2018 /EINPresswire.com/ -- Creteil, France- Known as the “man of culture”, AKA Louis developed as a writer for many years before ever releasing anything. He began writing at the young age of 11. At age 19, he wrote his first real poem and instantly discovered his true gift for art. In 2014, he decided to create his first book, which was a collection of short stories on adulthood. To date, he has published 9 works of art, including, “Les Quatrains Libres’ Vol 1 and 2”. Some of his favorite authors and poets include Omar Khayyam, Hafiz, Li Bai, Gil Scott Heron and the Last Poets just to name a few. In 2017, Louis started working on a short film project. When asked about the project, the poet stated, “These pieces are more videos than real movies, but I have chosen to call them poetic movies because of the artistic direction and intention.” Today you are able to read even more of his work in his latest book, “The Colored Sketches Collection”. With lines like, “O my God, make me your poet, O Lord, make me your dawn” you are instantly pulled in. Most would say the words are a bit provocative, but true art is just built up emotion that’s escaped on a canvas. He uses poetry to escape the traps and to also understand things that are happening around him. This book is a must purchase. If you’re looking to find a new literature that you can enjoy at any time of the day, this book is certainly for you. AKA Louis also says to readers, “I would like people to understand it’s important to master the language you use every day, to understand the world you live in... I would like the readers to understand there’s no limit to the way you can to live your life, if you respect yourself and the others... I would like them to dare knowing their own soul, and live what they really want to live, without too much thinking and paying attention to negative judgements. Let’s enjoy, appreciate, and celebrate life!” His works can be found now on Amazon France. You can also find AKA Louis on YouTube as well as Tumblr.
