

Vacation Rental Success Summit to be held in San Antonio, Texas

Vacation rental industry conference aims to support and educate owners, hosts, realtors and property managers succeed with short-term rentals

SAN ANTONIO, TEXAS, UNITED STATES, April 5, 2018

[/EINPresswire.com/](http://EINPresswire.com/) -- This Spring, the

[Vacation Rental Success Summit](#) (VRSS), attended by vacation rental owners, Airbnb hosts, realtors, investors and property managers is to be held at the Westin Riverwalk in San Antonio, TX on May 19-20 2018. The conference attracts leading international industry experts in marketing, technology, operations and investing. Keynote speakers at the conference include Andrew McConnell CEO of Rented.com, Steve Milo, CEO of [VTrips](#) and David Angotti, CEO of SmokyMountains.com.

The summit provides an opportunity for owners, managers, investors, realtors and hosts to network, share experiences and learn from world-class experts in the industry”

Mike Bayer, Vacation Rental Success Summit

The international vacation rental industry is believed to be worth more than \$100 billion with recent studies predicting that the vacation rental market will grow to almost \$170 billion by 2019. Texas is an important hub for the vacation rental industry, housing the headquarters of several large companies at the spearhead of the industry including HomeAway, Turnkey Vacation Rentals and family-specialist listing site Clanventure.

The Vacation Rental Success Summit aims to support individual owners, hosts and property managers develop and scale their businesses by learning how to market, maintain and differentiate their properties in a competitive market, as well as learning about the latest products, services and technology that ensure marketing and operations are more efficient.

Mike Bayer, event organizer, states “We are really excited to be bringing the Vacation Rental Success Summit to San Antonio. More and more investors, entrepreneurs and start-ups have moved into the vacation rental space. The summit provides an opportunity for owners, managers, investors, realtors and hosts to network, share experiences and learn from world-class experts in the industry.”

Meanwhile from an owners’ perspective, Houston based Ralph Moorhouse, owner of Paris Nice Vacations, says, “We find the Vacation Rental Success Summit an excellent conference because it is not run by an OTA and so is independent. It has wide ranging education and you can focus on what you need. Since 70+% of our guests are from US/Canada, we need to understand how to maximize that market.”

The VRSS18 is being held at the Westin Riverwalk, San Antonio, Texas on May 19th and 20th. There

are also several 'hands on' workshops available on the Friday. Tickets can be obtained from www.vacationrentalsuccesssummit.com
