

Wakely Launches Exclusive Healthcare Database

Containing data on more than ten million lives, Wakely Consulting Group, LLC has launched the Wakely ACA Database (WACA).

TAMPA, FL, UNITED STATES, April 4, 2018 /EINPresswire.com/ -- WACA contains detailed claims, eligibility and premium data from Edge Servers for over 10 million individual and small group market lives for 2016 and about 3 million lives for 2015. 2017 data is expected to be similar in size to 2016. This certified de-identified data contains most Edge Server fields. [Wakely](#) is making this data available for use in consulting projects, as well as licensing to certain organizations. There are two versions of the data available for license; Summary Level and Detail Level. Licensing fees start at about \$50,000 for each year of data. Special rates for academic institutions are available.
