

Northampton County Dentists are Replacing Missing Teeth with Dental Implants & Dentures in Easton

Affordable Dental Solutions is helping to replace missing teeth by offering dentures and dental implants in Easton.

EASTON, PENNSYLVANIA, UNITED STATES, April 18, 2018 /EINPresswire.com/ -- Affordable Dental Solutions (ADS) is changing the dental care industry by offering affordable missing tooth solutions at prices nearly half of what other dentists may charge. ADS in Easton offers replacement options including implants and dentures.

Dental implants in Easton are \$2,000 and include both the abutment and final restoration for a seamless, natural-looking smile. Dental implants have long been a popular solution for missing teeth.

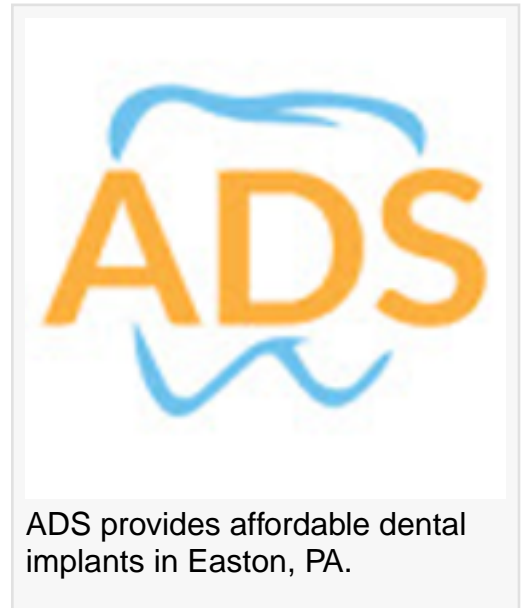

“Our team has performed thousands of dental implant treatments,” says Dr. Michelle Bernreuther, [dentist in Easton](#). “This efficiency has translated into high-quality performance and low-cost solutions.”

Meanwhile, full, partial and implant-retained [dentures in Easton](#) are also available. Full dentures are \$650/arch, partial dentures are \$750/arch and implant-retained dentures are only \$2,999 when two dental implants and attachments are added to a patient’s current pair of dentures.
