

Comfort Keepers of King of Prussia Honoring Employees for 2nd Phillies Event

Last year, over 250 Comfort Keepers attended the annual Caregiver Appreciation Day event.

KING OF PRUSSIA, PENNSYLVANIA, UNITED STATES, April 6, 2018

/EINPresswire.com/ -- On April 21st, you will find the Comfort Keepers of King of Prussia, PA, at the ballpark. Clark and Sallie Bongaardt, owners of Comfort Keepers of King of Prussia, plan to say

"thank you" to their [caregiving](#) team by holding their annual Caregiver Appreciation Day event at the Philadelphia Phillies vs Pittsburgh Pirates game.

“

Last year's Caregiver Appreciation Day event was such a success, there were no doubts in our minds about doing it for a 2nd year.”

Sallie Bongaardt

The first pitch won't be thrown until 4 pm but the festivities will begin long before the game begins. Comfort Keepers caregivers can expect a fun-filled tailgate with multiple activities for children, lots of free food options (including food trucks), reserved seating at the game, reimbursed parking, and a free t-shirt.

This is the 2nd year that the King of Prussia team is holding Caregiver Appreciation Day. Due to how well-received the event was last summer, the Bongaardts have no plans on

stopping the tradition. At last year's event, over 250 Comfort Keepers attended and two Comfort Keepers were even given the honor of throwing the first pitch of the game.

Clark and Sallie Bongaardt have been providing senior [in-home care](#) services to King of Prussia, PA, and the surrounding areas since 2002 along with their son, Ian. The Bongaardts dedicate their franchise to providing the highest quality of life possible for each individual they care for, considering each individual's specific circumstances.

The Bongaardt's King of Prussia location has accepted nothing but excellence throughout the last 16 years and they have received multiple awards for their efforts including the Best of Home Care Provider of Choice Award, Leader in Excellence Award, and Employer of Choice Award for multiple years.

"Last year's Caregiver Appreciation Day event was such a success, there were no doubts in our minds about doing it for a 2nd year," said Sallie Bongaardt. "We hope to be able to keep this tradition running for a long time."
