

Trumpsingles.com For Sale

The original Trump dating website has been listed on ebay

LOS ANGELES, CALIFORNIA, UNITED STATES, April 6, 2018 /EINPresswire.com/ -- As of Friday April 6th Trumpsingles.com is officially for sale. The owners of the site said that they have moved into other businesses and no longer have time to run the site, and although they are proud of the success the site has had, they are saddened to have to move on from it. This site has been featured in multiple news pieces around the world, and one of the owners has made multiple appearances on news and talk shows discussing the site. Trumpsingles.com was started in May 2016, and the site has been far more successful than the copycat sites that have tried to follow.
