JACKSON, MISSISSIPPI, UNITED STATES , April 11, 2018 /EINPresswire.com/ -- For over 30 years, both the Doug Rushing [Real Estate Agency](#) and [Wild Realty](#) have provided unparalleled real estate services to the residents of Tylertown, McComb, Jackson and many other areas in Southwest Mississippi. The two powerhouse agencies recently announced a merger, joining forces to better provide their current and future customers with the great service, welcome hospitality and enjoyable real estate experiences.

After working on various real estate deals together in the past, and becoming more personally acquainted within recent years, Watkins "Noggin" Wild and Alan Bridevaux of [Doug Rushing Realty](#) began working together approximately one year ago on a merger. The merger puts two very well-recognized names in the area and the real estate industry together under one company banner, subsequently bringing together the Realtor of the Year in Wild and the Land Realtor of the Year in Bridevaux.

"Rushing has sold its fair share of housing and commercial properties, but Wild and Associates really have that ramped up in its history. Wild and Associates will fill a gap for us," Bridevaux said.

"We chose each other," Wild said. "It's been a good thing. We're both excited about the opportunities and ready to get after it."

With the merger, the combined companies now have a much larger inventory of land, homes and commercial listings, as well as additional staff to provide extra assistance to a growing customer base.
