“

Now, diners pay one price and build their own custom SkinnyPizza® from a large selection of fresh toppings -Built With No Guilt®.”

Joe Vetrano

Bouboulis adds, “SkinnyPizza® flavor-packed, thin crust pies are lower in calories and made using all natural, potassium bromate free flour.”

SkinnyPizza® also offers a menu of pastas, salads and soups, all with a healthier take on traditional Italian favorites.

SkinnyPizza® was founded in 2009 by Long Island veteran restaurateur and CEO, Joseph Vetrano. He describes SkinnyPizza® as “real pizza, real thin.” From his experience working in his family’s pizza and pasta restaurant, Vetrano saw the trend to cut carbohydrates and calories in classic food stuffs -

and offer a level of interactivity to the process. Now, diners pay one price and build their own custom SkinnyPizza® from a large selection of fresh toppings. Vetrano calls his custom SkinnyPizza® pies, “Built With No Guilt®.” Vetrano continued by announcing that SkinnyPizza® plans to roll out a new Cauliflower Pizza Crust”

SkinnyPizza® will cater to Connecticut consumers who, like ninety-three percent (93%) of Americans, enjoy pizza monthly, and the two-thirds who opt for a thin crust pizza variety, according to Statistic Brain in 2018. The SkinnyPizza® menu was designed for those that are health- and environmentally conscious, with pizza sauce made from organic tomatoes and pasta dishes made from organic, GMO-free, egg-free, cholesterol-free, low-sodium, high-fiber pasta. The location also offers a line of soups that include vegan, vegetarian, dairy-free and gluten-free options.

The Greenwich Avenue SkinnyPizza® location will open in Connecticut on April 11, 2018 with a ribbon cutting at 10amET. Local politicians and members of the Chamber of Commerce will be on hand to conduct the ceremony. To celebrate the Grand Opening, SkinnyPizza® will offer one dollar (\$1.00) priced pizzas from 11:30am to 2:30pm to 500 customers who present a redeemable ticket on-site. Street teams locally will distribute the tickets to Greenwich Avenue shoppers and merchants in the days leading up to the Grand Opening. SkinnyPizza® will also provide the Greenwich Chamber with pizza samples at their Business Showcase on April 26, 2018.

SkinnyPizza®'s Greenwich location joins other franchises & company owned restaurants in New York City, Long Island, Dallas, Pennsylvania and Saudi Arabia. Vetrano has teamed with [franchise](#) industry expert, Gary Occhiogrosso, founder of Franchise Growth Solutions, LLC, to expand the turnkey SkinnyPizza® fast casual QSR (quick service restaurant) business model from five (5) locations in 2018 to fifteen (15) locations by 2020.
