

Rhode Island Mesothelioma Victims Center Now Urges a Maritime Worker with Mesothelioma in Rhode Island to Call for Direct Access to the Nation's Top Lawyers for a Much Better Compensation Settlement

NEW YORK, NEW YORK, USA, April 26, 2018 /EINPresswire.com/ -- The Rhode Island Mesothelioma Victims Center says, "There is no such thing as a 'federally sponsored mesothelioma compensation claims center' and if you are a maritime worker or Navy Veteran with mesothelioma in Rhode Island please call us anytime at 800-714-0303 so you do not get shortchanged on the compensation that you deserve. We are specifically talking about members of the merchant marine, shipyard workers, tug or barge operators, commercial fishermen, dock workers, maritime mechanics, deck hands or Navy Veterans with mesothelioma in Rhode Island.

"The last thing we want to see happen to any type of maritime worker or Navy Veteran with mesothelioma in Rhode Island is for them to get shortchanged on financial compensation because they hired a less-than-qualified local personal injury law firm." <http://RhodeIsland.MesotheliomaVictimsCenter.Com>

The group is urging the wife or the adult son or daughter of a maritime worker or Navy Veteran in Rhode Island who has recently been diagnosed with mesothelioma to call them anytime at 800-714-0303 to make certain they are dealing directly with the nation's most skilled and experienced mesothelioma attorneys as opposed to a local car accident law firm. "If you want the very best mesothelioma compensation, and a maritime worker in Rhode Island or the US Navy is involved, please call us anytime at 800-714-0303 and we will guarantee you are talking directly to the top mesothelioma attorneys in the United States-who get the best possible financial compensation results for their clients." <http://RhodeIsland.MesotheliomaVictimsCenter.Com>

“ The last thing we want to see happen to any type of maritime worker or Navy Veteran with mesothelioma in Rhode Island is for them to get shortchanged on financial compensation”
Rhode Island Mesothelioma Victims Center

For the best possible mesothelioma treatment options in Rhode Island the Rhode Island Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital. The Massachusetts General Hospital: <http://www.massgeneral.org/>.

According to the US Center for Disease Control the average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. Mesothelioma also happens in Rhode Island.

High-risk work groups for exposure to asbestos in Rhode Island include US Navy Veterans, power plant workers, shipyard workers, maritime workers, oil refinery workers, industrial workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://RhodeIsland.MesotheliomaVictimsCenter.Com>

The Rhode Island Mesothelioma Victims Center says, "Before you hire a mesothelioma attorney please call us at 800-714-0303 and compare the qualifications of who we consider to be the nation's most skilled mesothelioma attorneys to any other lawyer, or law firm. When it comes to obtaining the best mesothelioma settlement, the quality of the attorney matters, as we would like to explain." <http://RhodeIsland.MesotheliomaVictimsCenter.Com>

For information about US Navy submarines, aircraft carriers and other types of navy ships please visit their website on this topic: http://www.navy.mil/navydata/our_ships.asp

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <https://www.cancer.gov/types/mesothelioma>.
